## Care Curiosity Determination

28.6.2024

To all Parents/Carers,

At last, Summer weather has arrived!! It's been a hot one this week so the children have been outside even more than normal! We've had a few trips happening too.

Top left, children in Y1 visited a mosque; a trip organised by Derby Open Centre. They had a really fun and interesting time and by all accounts asked lots of really great questions.

Middle left children in Y1 have also been making the most of their new Continuous Provision equipment, namely grass tiles and bricks (don't worry not real ones!). They were hard at work for hours and it is resources and activities like this which really promote a child's communication and ability to work in a team.

Speaking of working in a team, all week this week the Y5s have been participating in an Enterprise Project. They were given the brief on Monday and that was to design and make a game of their choosing, market it and then get it ready to be rolled out on the Friday for customers. Bottom left we have two members of a team doing the promotional stuff. From what I have seen on the playground, you're in for a treat if you do decide to stop behind after school and have a go!

In other news, it's the Summer Fair on Saturday 6<sup>th</sup> July so we will be asking for donations of books and games throughout next week. Look out for the trollies underneath the sheltered area on your left (now called 'Calm Cove'). Fingers crossed we get good weather!

And finally, we are delighted to announce that Miss Herriman had her baby yesterday afternoon. A warm welcome to Lottie, we can't wait to meet her!

Have a lovely weekend

Mr Johnson

This week's attendance is 95.7%. Our target for the year is: 97%  
The year group(s) with the highest attendance is/are: Y6 98.5%
