

# Weekly Word

29.3.2023

To all Parents/Carers,

First and foremost, another huge thank you to everyone for getting so involved with this year's [Big Walk and Wheel](#) event. It's nearly the end of week two and we are still hovering in the mid-70% for children who either walk or wheel to school which is amazing! I hope this continues to be a trend after Easter when the event has finished 😊

Top left, we have children in Y3 taking their Maths outside. They were using measuring jugs to help them understand millilitres and litres. Not a drop was spilt!

Middle left we have children in Y1 enjoying their Jewish Workshop. They got to learn more about Judaism and handle some really precious religious items/artefacts. They also got to eat some Challah Bread!

Bottom left we have a fab piece of work from Y2 around life cycles. They have been learning about producers and lots of other language associated with this topic. Can you guess which each stage represents?

In other news, I would like to take this opportunity to say thank you and good luck to Miss Ruston, who leaves us tomorrow. She has been a Teaching Assistant at Markeaton for almost two years and has worked incredibly hard during her time with us. We wish you all the best 😊

And finally, we will be contacted by the City Council after Easter regarding the Safe Haven zone. The 18-month trial period is almost at an end and they would like some feedback from school about whether to end it or make it permanent. They will also be reaching out to parents/carers and local residents so have your opinions ready!

Enjoy the holidays and see you on Monday 19<sup>th</sup> April!

Mr I. Johnson

This week's attendance is 97%. Our target for the year is: 97%  
The year group(s) with the highest attendance is/are: Y1 98%
