Care Curiosity Determination

## **Part One...**

Dear Parents/Carers,

When is it going to stop raining!! I feel like that puddle by the front gate has been swept fifty times in the last week or so!! That said, we have still seen lots of outdoor learning going on so the children certainly haven't been put off by the inclement weather...

Take a look at this photo. Here are some Reading Champions reading to the Y1s in Miss Gaskin's class. Reading for Pleasure is one of our targets this year so keep an eye out for more exciting updates like this.

In other news, and not so positive...

## **Part Two...**

***As a school we are proud to be part of the Markeaton community and we value the positive relationships we have with our neighbours on Bromley St and the surrounding area.***

***Unfortunately, since this half term began, we have been contacted by a number of local residents who have raised concerns about parking (including blocking driveways) and the behaviour of some parents/carers during school drop off and collection times.***

***I would like to kindly remind everyone to be considerate and respectful when dropping off and collecting children from school. This includes parking safely and legally, keeping entrances clear and avoiding blocking roads or pavements.***

***We understand that these times of day can be busy and we appreciate your cooperation in helping to keep everyone safe and to reduce disruption for those who live nearby.***

***Thank you for your continued support and understanding.***

**Mr I. Johnson**
