

# Weekly Word

Care  
Curiosity  
Determination

30/06/2023

To all Parents/Carers,

A real mixture of photos this week from an array of activities that have been happening!

First up, top left, we have children in Y6 enjoying high ropes at Kingswood Residential Centre in Doncaster.

Every year the Y6s have a few nights away at the end of the summer term and if you want to get an idea of what they experience and how much fun they have then visit our website and take a look at the [Twitter](#) feed – they are having an absolute blast! On that note, a few parents/carers have said to me they don't have Twitter so can't see the school tweets. If this is the case then just go to the website. You can see it all on there and you don't need an account 😊

Middle left we have a lovely collage of images of Y2 children who have recently completed their seascape artwork. They look incredible and are a real testament to how creative they are and how much they have immersed themselves in the topic. Well done Y1 and Y2!!

Bottom left we have children in Y5 in the early stages of their enterprise projects. I was lucky enough to introduce this project earlier in the week where they were given an old fairground game (e.g. tin can alley) and they basically, in a nutshell, had to think about how to build a successful business around their product.

Today is the culmination of their ideas and parents/carers are invited to come and take part in the event. I have seen lots of posters around school and I believe each group has made an advert!! Entrepreneurs in the making it would seem!

And finally, another shout out for the Summer Fair next Saturday – we hope to see you there!!

Have a lovely weekend,  
Mr I. Johnson

This week's attendance is 94%. Our target for the year is: 97%  
The year group(s) with the highest attendance is/are: Y2 98.5%
