To all Parents/Carers,

Before I run through the amazing stuff that has been happening in school this week, a big shout out to the PTFA and their upcoming Quiz Night on Friday 24th March (see poster on left).

In years gone by this has been an absolutely brilliant event with the school hall absolutely jampacked full of teams (including a teaching staff team out for victory!). Please please please sign up, it really is a fun evening and it's the first face to face one we have had after the pandemic. You also get a fish and chip supper – what more could you ask for! Just scan the QR code on the left or go to the weblink. Governors are hoping to enter this year too!

In other news, a big thank you to all parents/carers and family members who worked hard to create some amazing World Book Day costumes. The children looked great and they really enjoyed all the different activities throughout the day.

Check out twitter on the [school website](#) for more photos etc like the one on the left.

Bottom left, we have children in Y4 showing off their work from International Mother Language Day (which was during the holidays). Here they were writing down different ways to say hello to each other and lots of other phrases they had learned during half term.

And finally, next week is your child(ren)'s progress meeting with their teacher. If you haven't already, please make sure you sign up for any available slots. It will be a chance for you to hear about the progress your child is making and have a good look at their books.

Have a lovely weekend and see you on Monday!

Mr Johnson

This week's attendance is 97%. Our target for the year is: 97%
The year group(s) with the highest attendance is/are: Y2 99%
