

# Weekly Word

4/11/2022

To all Parents/Carers,

This first week back after half term has absolutely flown by! At least we have ended the week with a bit of sunshine after the washout that was Monday!

Top left we have children in Y4 learning all about [E-Safety](#).

They were focusing particularly on the positive and negative sides of technology and the impact it can have on their lives. The children have a really good understanding of E-Safety at Markeaton and they are certainly aided by the fab online assemblies that Miss Herriman has put together. **Check them out [here](#).**

Middle left we have a small screenshot of our brand new timeline on the KS2 stairwell called 'All History is Shared History'. It is our very own bespoke timeline which weaves together topics across the school (including info about our houses: Nightingale, Strutt, Royce and Wright) and showcases significant historical figures from pre-history and history. The speed at which classes walk up the stairs has decreased significantly this week as they take it all in but not a bad reason to slow down!!

Bottom left we have children in Y2 listening intently to Florence Nightingale, who was kind enough to drop in and visit them. She answered all of their questions and told them about her life through the Crimean War. Not a bad way to spend a Tuesday morning!

In other news, the results of two new surveys have popped up on our website so please scroll down the page and take a look.

[Questionnaire Results | Markeaton Primary School](#)

And finally, just a reminder that next week is Child Progress Meetings (formerly known as Parent/Carer Meetings). If you haven't signed up already then please do so. These meetings are over the phone then the next two will be face to face.

Have a lovely weekend,  
Mr I. Johnson

This week's attendance is 96.6%. Our target for the year is: 97%  
The year group(s) with the highest attendance is/are: Y3 99%
