

Weekly Word

6.10.2023

To all Parents/Carers,

Happy October everyone! It might not necessarily feel like Autumn is near but there are hints that milder weather is on the way – not least the number of leaves that have fallen and need to be blown off the MUGA every morning by our site team!

Top left, in a rather surprising turn of events, we have children uncovering some hidden gems in the vegetable plot! Hiding under some leaves were enormous pumpkins and runner beans! Amazing what can happen when crops are left unattended!!

This month is Black History Month and Miss Herriman has taken a photo of some new additions to the UKS2 (Y5 and Y6) class libraries. Other books are being bought for other year groups so watch this space 😊

Bottom left we have another example of learning which is currently happening in the Y1 continuous provision setting. As part of the children's '[home sweet home](#)' topic the children were invited to paint their houses. Looks like lots of fun!

In other news, I had a wander around all the classrooms yesterday and I wanted to tell you how impressed I was with the presentation I saw in children's books. Every week a child from each class is given a sticker for being [Presentation Champion](#) – ask your child about it and if you get the chance just remind them how important it is. It's great to see.

And finally, our Boys' Team have played three football fixtures so far this year; one in the cup and two in the league...and we have won all three! The Girls' team start their league fixtures next week. Each match has been really well attended and we've even had children who left us last year come back to watch.

Have a lovely weekend

Mr I. Johnson

This week's attendance is 95.3%. Our target for the year is: 97%
The year group(s) with the highest attendance is/are: Y2 98.5%
