

# Weekly Word

## Care Curiosity Determination

8.12.2023

To all Parents/Carers,

First and foremost, a huge thank you to everyone who contributed to the recent Poppy Appeal (including the children who gave up their breaktimes to collect any donations). Together we raised over £300! A brilliant effort 😊

Top left we have some children in Y3 honing their geographical/map skills. Even though much of the children's learning takes place under a topic heading, the children still know which subject they are learning about and which skills they need.

Middle left, children in Y1 are getting ready for the Christingle service at St Alkmund's. Once again, a huge thank you to all the adult volunteers who helped walk the children to and from the church. It was a lovely service and the children were very sensible and reflective.

Bottom left children in Y6 have been practicing their use of the semi-colon (using circus themed images on their iPads as inspiration!). Seems like this child has got it spot on!

In other news, whilst on the topic of the curriculum, your child will be sent home with an entry form for our most recent competition. We would like your child to design a logo for three subjects of their choice (one has been done for you). These logos will then appear in each lesson! Not a bad reward!! The trick is with a logo, keep it simple and easy to recognise...

Please can all entries be completed by the end of next week and set to my office. Good luck 😊

Have a lovely weekend

Mr I. Johnson

This week's attendance is 94.0%. Our target for the year is: 97%  
The year group(s) with the highest attendance is/are: Y6 96%
