Care Curiosity Determination

8.3.2024

To all Parents/Carers,

First and foremost, a huge thank you to all of our parents/carers and family members for making World Book Day one to remember! There was such a fantastic array of costumes on display and the children had a great time 😊 So, thank you again for all of your support.

Top left, in Y5, is a picture of their English Writing Wall. Each class has one and it basically chronicles each stage of the writing process; starting with engaging (which is sometimes a fun activity or experience) and ending with publishing (where the children are given an opportunity to write up their work in neat, or sometimes publish it in a different way like a comic or a speech). On this board we can see different sentences that have been created and some vocabulary that the children have generated. Well done Y5, I look forward to reading the finished pieces of work!

Middle left we have children in Y6 showcasing their very own copy of Creepy Creations. Miss Herriman says they are absolutely hooked after being introduced to the world of Dread Wood and Crater lake!

Bottom left (don't worry it's not a real hedgehog in that box!), children in FS2 met with Marc from Derbyshire Wildlife Trust. He did a brilliant session on hedgehogs and he has very impressed with how much the children knew!!

And finally, next Friday is Red Nose Day and we are asking the children to wear an item of red clothing or accessory (or both). And instead of money donation, we invite you to bring an item of food. These will be collected on the gate and then picked up by St Alkmund's for their food bank.

Have a lovely weekend

Mr L Johnson

This week's attendance is 93.5%. Our target for the year is: 97%
The year group(s) with the highest attendance is/are: Y3 97%
