

# Weekly Word

9.7.2021

To all Parents/Carers,

I think the photos tell the story this week! Some of the Y6 Residential last Friday/Saturday (which was a resounding success – do check out Twitter for evidence of the matsliding competition!). Sports Day, Ice Cream Vans and a bit of gardening in the Forest Area too – plus loads more!

The next two weeks are going to be incredibly busy and hopefully this will all be made more special when England win the Euros on Sunday night! If we win, Monday will be a bit of a party day in school with lots of fun things happening as we realise there will be a few tired children from staying up to watch the match! **Same as the last match, come to school in football or sports kits 😊**

In other news, the parent/carers questionnaire has now closed. We had 196 responses in total which is amazing; 53 more than last time so thank you for taking the time to fill it out. We have also completed our children's questionnaires so next week, at some point, we will share the results with you. What we plan to do in the Autumn Term is come back to you with another questionnaire, one which tries to unpick some of the responses you have given. For example, **'I am kept well informed about how my child is progressing'** has come in a bit lower than other scores so we want to work with parents/carers to drive improvements in this area. In some cases, it's knowing what we already do and being able to find it, in other cases, it's a case of wanting more information – either way, it is something we want to develop in September.

Have a lovely weekend,

Mr I. Johnson
