

Where's Wally?

We hope that you all enjoyed the Easter break! Our Summer term's topic is going to take us on a journey through Europe with Wally: we will journey through the countries of Europe, explore Derby's twinned city-Osnabruck, explore geographical features of our local area and compare and contrast with Osnabruck, create pop up books about significant landmarks and photograph and edit pictures in computing. We have lots of exciting and immersive lessons planned to explore these areas and will keep you updated with our learning via our X page (link is in the right-hand corner). We will also be in contact via ParentMail with any potential dates for your diary. As part of our history studies, we will be visiting Derby Museum (details to follow). If you have any questions about our curriculum, then please head over to the school website: <https://www.markeaton.derby.sch.uk/> or contact your child's teacher.
