Weekly Word

Care Curiosity Determination

Dear Parents/Carers,

A warm welcome back to Autumn 2. There is definitely a chill in the air this week and if today's news reports about a polar vortex behaving differently are true then that cold snap (and perhaps snow) might not be too far around the corner! In the meantime, in their warm and cosy classrooms, check out these intrepid Y3s building their Tudor structures – they have been sawing, gluing and decorating!

In case you missed it, next week is your opportunity to meet with your child(ren)'s teacher and talk about how they have been getting on in class. If you haven't already, make sure you book your appointment on the day that works best for you. Teachers try really hard to stay on time so parents/carers don't have to wait too long so please try to keep to the time allocated 😊

A gentle reminder, there are no clubs next week…

In other news, a huge thank you to the PTFA for putting on the school discos before half term. They raised nearly £1200 in total! Our biggest ever for a disco I am led to believe. Preparations for the Christmas Fair are now in full flow and it is never too late to get involved and help out if you want to. The named roles (e.g. Chair) have now been filled so if you want to lend a hand all you have to do is drop them an email or head to one of the coffee mornings. Look out for events on the school car park gate.

And finally, we are sad to announce that Miss Payne will be leaving Markeaton at the end of this term. She will be going travelling and seeing the world! How amazing! As such we have a KS1 Teacher position open!

Have a lovely half weekend,

Mr I. Johnson
